Job Vacancy

Coordinator Health Improvement - Adults

37.5 hours per week.

£24,000 - £25,000 per annum.

Based at The Healthy Living Centre CIC, Walton Court, Aylesbury.

2 year fixed term contract

The Healthy Living Centre CIC is an established Social Enterprise based in Buckinghamshire. Our Centre has recently undergone an exciting new development and we are increasing our staff numbers to enable us to provide more services to our community.

As Coordinator Health Improvement – Adults you will take the lead and work with colleagues to deliver Skilled for Health and ESOL programmes, actively engaging with communities throughout the county. The post holder will have a clear, focused and structured understanding of the issues which affect the lives of individuals, setting goals for improvement and responding to problems and needs through empowerment and active participation. This job requires the candidate to work in close partnership with community groups, partner organisations and colleagues to enable the delivery and sustainability of targeted community-based initiatives.

Post subject to a 3 month probationary period.
Enhanced DBS disclosure required.
