

SUPPORTING THE COMMUNITY THROUGH
ADVICE, SUPPORT & SERVICES

Vacancy

Volunteer Board Member

The Healthy Living Centre (HLC) is seeking volunteer Board Members who have a heart for the community and a head for business.

The Healthy Living Centre is a vibrant community interest company (CIC) based in Aylesbury, which provides a range of health and wellbeing services to support disadvantaged communities across Buckinghamshire. Our services include ante-natal support, a pre-school nursery, youth and adult wellness activities, and older people's lunch clubs.

Ideally applicants will have some business experience and expertise (this could be financial, legal, HR or contracts management); a desire to make a difference, and the time to share their skills to help the Healthy Living Centre develop its offer to the communities of Buckinghamshire.

If you have the appetite, passion and experience to be part of the future of the Healthy Living Centre then please get in touch for an informal conversation and an information pack. Email us at opsadmin@healthylivingcentre.com or speak to a staff member at the centre today.

We welcome applications from individuals regardless of their religion, age, physical ability, gender or sexual orientation. The Healthy Living Centre seeks to build a board and organisation that represents the community we serve and as such we encourage applications from people from all walks of life and backgrounds.

The closing date for applications is 14 December 2018 and we anticipate that interviews will be held in Aylesbury within three weeks of that date.
